

Application process for exhibitors and cooperation partners

BMW Motorrad Days 2020, July 3-5, Garmisch-Partenkirchen

To apply as an exhibitor or cooperation partner at BMW Motorrad Days 2020, please download and complete the application form, then send it by email to bmd-exhibitors@gpj.com by January 22, 2020.

Please note that only complete applications that are submitted before the deadline can be considered.

Applicants will receive confirmation of receipt by email once the documents have arrived.

Decisions regarding which applicants will be allowed to participate in BMW Motorrad Days will be made by March 2020. After this time, all applicants will receive notification of acceptance or rejection by email.

Applicants who have been rejected can ask to be placed on a waiting list. In the event that an exhibitor decides not to participate at short notice, an alternative applicant on the waiting list will be given the opportunity to participate in BMW Motorrad Days instead.

Upon receipt of a positive response, applicants will receive detailed exhibitor guidelines together with details of the invoice amount due for participation, which must be settled on time. If an applicant's payment is delayed, the right to participate lapses and the available space will be awarded to an applicant from the waiting list.

The withdrawal of a participant must be communicated in writing. The participant concerned is not entitled to a refund of the invoice amount.

All guidelines for applicants and exhibitors must be adhered to throughout the project. Any infringement will result in immediate exclusion from the event without any right to reimbursement of the exhibition fee.
